

All these voices and decisions
Swimming circles in my head
All these choices and opinions
Feeling heavy as lead

Roll away your stone, I'll roll away mine
Together we can see what we will find
Don't leave me alone at this time
For I'm afraid of what I will discover inside

I've been livin' for the moment
But I just can't have my way
And I'm afraid to go to sleep
'Cause tomorrow is today

Another turning point, a fork stuck in the road
Time grabs you by the wrist, directs you where to go
So make the best of this test, and don't ask why
It's not a question, but a lesson learned in time

It all came so easy
All the lovin' you gave me
The feelings we shared
And I still can remember
How your touch was so tender
It told me you cared

How I wish I could surrender my soul
Shed the clothes that become my skin
See the liar that burns within my needing
How I wish I'd chosen darkness from cold
How I wish I had screamed out loud
Instead I've found no meaning

If I travel all my life
And I never get to stop and settle down
Long as I have you by my side
There's a roof above and good walls all around
You're my castle, you're my cabin and my instant pleasure dome
I need you in my house 'cause you're my home
