

# Plot Mountain

The band sounds awful. Exits stage humiliated.

Judges impressed, except for one - Van Vicious, who doesn't like Nancy and thinks Sid doesn't have any stage presence. The band is put through to the finals.

Sid is nervous at feels sick at audition but survives by thinking about things they'll do with prize money.

Sid sees girls he likes, Nancy, at guitar shop and her band, Savage Potion, needs a guitar player for a contest.

## Exposition

Sid wants to join a rock band and travel the world, but he has crippling stage fright (internal conflict). Plus, it has been hinted that Van Vicious is also going to pose a problem for Sid (external conflict).

## Rising Action

## Climax

## Falling Action

Van Vicious gets busted by security for tampering with equipment. Band gets an encore performance.

## Resolution

After being on tour for a year, the band returns home and plays in front of packed arena. Sid and Nancy kiss.
